Starshine Galaxy, United States, 2011. Paperback. Book Condition: New. 216 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.In first-grade language, chaps is pronounced shapes - and this is a book about (abot) shapes (chaps). It was written and illustrated in 1998 by Emma Mebane who, as a first grader, was new to the world of chaps. What Emma lacked in accuracy she made up with spirit - in her bright, bold representation of eight different chaps, including the carkol, dimind, and scwar. Enjoy this endearing work of a young, developing artist, and use the coloring space provided for your own special chap creations. A Book Abot Chaps is published posthumously, and proceeds are used to support charitable purposes.
