Lumos Study Program is used by the leading schools and libraries to improve student achievement on the standardized tests. How can students succeed on the PARCC test using the Lumos Study Program? At Lumos Learning, we believe that year-long learning and adequate practice before the actual test are the keys to student success on the standardized tests. We have designed the Lumos Study Program to help students get plenty of realistic practice before the test and to promote year-long collaborative learning. Inside this book, you will find two full-length practice tests that are similar to the PARCC tests students will take to assess their mastery of CCSS aligned curriculum. Completing these tests will help students master the different areas that are included in newly aligned standardized tests and practice test taking skills. The results will help the students and educators get insights into students strengths and weaknesses in specific content areas. These insights could be used to help students strengthen...
