A Promise Kept - A Tribute to a Mothers Love Time is running out for many baby boomers. As their parents pass on, the sandwich generation faces a loss of connection to its past. A Promise Kept addresses this problem as it traces the life of Salomea Drozdowska, the authors mother, from her childhood in Eastern Europe, through World War II, to her immigration to Canada, and then her life in North America. Her journey begins with her childhood hearing loss in the Galician town of Drohobych, before the war. She becomes a silent witness of the Nazi occupation of Poland and then of the Soviet occupation of Western Ukraine. Later, she flees war-torn Europe ahead of the invading Red Army, becoming one of the first refugees to immigrate to North America. Upon her arrival in Canada, she experiences severe hardships that leave her alone, pregnant, penniless, and unable to speak English. She has a son, but shrouds his origins in secrecy. Reuniting with her American sister, they resolve jointly to raise that son. Together, they survive this tumultuous endeavor. Years later, her son convinces her to visit the Alberta farm where she first came to Canada. There, she breaks her 50-year silence and after that reveals the full story of her past. In A Promise Kept, the author strives to recall all the details of his Ukrainian mothers vanishing history and pays tribute to her lifelong unconditional love. The book presents the immigrant experience as viewed through the eyes of a Canadian-born, American-raised, first-generation baby boomer recounting the events in his mothers life. The book presents four specific benefits for the reader: 1. The reader is taken on a journey...
