Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

CHESS VARIANTS GAMES: FOR INTELLECTUAL DEVELOPMENT AND AMUSEMENT (PAPERBACK)

Happy Squirrel, India, 2011. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Chess is a game of wits that calls for strategy, tactics and intuition. The game has a long history spanning several centuries and has been played the world over for it develops strategic thinking and tactical planning skills. Chess is intellectually stimulating and challenging - and offers limitless possibilities at every stage of play. The very nature of the game makes it amenable to systematic study and mastery over time. There are several variants of Chess which offer a level-playing field for amateurs who can think logically. This book is the outcome of the author s curiosity about new Chess variants which can be played on boards with different geometries, different sets of rules with different objectives. This entirely new look at Chess offers: Chess inspired games that reflect situations and events from daily life. Games inspired by popular sports such as squash, volleyball and cricket. Chess games as a motivational tool in education to help students develop interest and liking for their subjects and achieve better academic performance. Chess inspired puzzles. Chess as an outdoor sport and indoor team-game. A. V. Murali s engrossing book highlights the different perspectives of Chess - showcasing its broader applicability, not just for amusement, but for physical and intellectual development as well.
