Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Joshua grew up in a lovely home, and actually felt life was a bed of roses. He built a mindset for himself, which is, he made himself feel he s a dullard. As such, he didn t like reading his books, but preferred playing in and around the house. Most of the time, he played his PS3 game. His best friend, Stephen, always did encourage him to study so that he could pass his subjects with excellent grades, but Joshua would have none of that. One day, he made a prayer request after he was taught by Miss Jean on how to make one. He said a prayer. What happened next? Did he become a super hero? I think it is better for you to find out for yourself. This book is not about magic, it is about God, hard work, prayer, obedience, and anything else you observed in it. This book will blow your mind as you read along, and share with your family, friends, and anyone else you deem fit to share it with. For aside the age range set apart for reading this book, any age group can also read and benefit from it because it is not only for friends, but also for families and relationship building amongst parents and their children, and most importantly their relationship with God Almighty.
