

The Dice Cup

By John Fuller

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Dice Cup, John Fuller, 'In the dice cup, then, life becomes not a design but a wager; not an adventure but a game.' Brimming with brio and brilliance, John Fuller's latest collection comprises exquisite philosophical arguments, dream visions, aphorisms, precise portraits, colourful fables and tableaux of life. But here too lie shadows: in departures and deteriorations, in a life balanced delicately between the known and the unknown. Taken together, The Dice Cup unfolds like a Chinese box of observations; wit, humour, pathos and playfulness entwined to a thrilling and thought-provoking effect. It is a late, great work from one of our finest poets.

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).
