Filesize: 1.52 MB

Reviews

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.

LAP Lambert Acad. Publ. Jul 2011, 2011. Taschenbuch. Book Condition: Neu. 220x150x7 mm. This item is printed on demand - Print on Demand Neuware - Jade Snow Wong s two autobiographies Fifth Chinese Daughter (1950) and No Chinese Stranger (1975) have been highly criticized for their seemingly integrationist rhetoric. Born in the 1920s, Wong started a career of writer and potter in order to create a better understanding between China and America and to find recognition as a Chinese American woman in both worlds. However, the contradictions and conflicts that result from the encounter of both cultures in her two books foreground instead that behind Wong s apparent assimilationism hides a more subversive and undermining discourse. Taking Lisa Lowe s definition of cultural hybridity as a starting point, this study revisits Wong s works through the lens of the competing and conflicting values inherent to Jade Snow s self-definition as a Chinese American woman. Furthermore, by opposing Wong s ceramics to her autobiographies, this study seeks to give yet another perspective on Wong s cultural hybridity. Whereas words highlight the tensions between Chinese and American values, her earthenwares emphasize the harmonious combination of both traditions. 124 pp. Englisch.
