

The Origin of Life: God's Relationship with Man in Genesis (Paperback)

By Peter Russell-Yarde, MR Peter Russell-Yarde

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book of Genesis represents the start of a journey learning about who God is and how individuals have not only related to Him, but have also been directly instructed and guided by Him. The creation/evolution issue is a contentious one, yet by a careful study of the text in the initial chapters, and with the addition of an article by an eminent Jewish scientist, this book shows that the two are in complete harmony and are in fact complementary. By thinking outside the box this book sheds light on how we can more easily understand how the evolution of the earth developed according to the creator's plans and how it can be disposed of when the new heavens and the new earth appear. The book of Genesis is filled with characters in the text who may have lived unsophisticated lives compared to today, but it is essential that they are treated as real people having to face real life experiences, decisions and personal problems in a world full of danger, just like people...

Reviews

Completely essential study publication. Better than never, though i am quite late in start reading this one. I am very easily could get a delight of reading a composed publication.

-- **Marilyne Macejkovic**

The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotony at at any time of the time (that's what catalogues are for relating to if you check with me).
