Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BARACK OBAMA AND THE AMERICAN DREAM

GRIN Verlag Mai 2011, 2011. Taschenbuch. Book Condition: Neu. 215x159x18 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2011 in the subject English - Discussion and Essays, grade: 1,7, University of Cologne, language: English, abstract: The acting president of the United States of America, Barack Obama, fascinated millions of US-citizens in many of his campaign speeches in 2008. With his slogan Yes we can! he offered them a new, believable perspective. Finally, this wave of euphoria brought him to the White House and made him, contrary to all expectations, the first black US-President. I looked fascinated and interested at all important incidents happening in the USA in 2008 and I just wondered why it was possible to this man, like no other person, to fill so many people in this great country with enthusiasm and to give them a new hope of a better future. Looking back on these events and irrespective of the fact if his goals were achieved or not, I ask myself which values, ideas and aims made the people so absolutely excited and how they were influenced by Obama. If you only take a superficial view on this issue, it already becomes clear that the very popular American Dream, which is based on American history, is and was one of the important subjects of Obama's speeches. How Obama uses this Dream and the way he updates and enlarges it should be the central question of this thesis. In order to do so, it is at first important to take a close look at Barack Obama, his curriculum vitae and his political rising. On the other hand, I want to present the history of the American Dream, as well as a preferably general but handy definition of what the American Dream...
