

## Lippincott's Illustrated QA Review of Histology (Paperback)

By Guiyun Zhang, Bruce A. Fenderson

Lippincott Williams and Wilkins, United States, 2014. Paperback. Book Condition: New. 276 x 213 mm. Language: English . Brand New Book. Lippincott's Illustrated QA Review of Histology is a resource for students engaged in histology course review and test preparation for the USMLE Step 1 and COMLEX. It contains more than 1,000 USMLE-style and content recall questions with images for approximately 40 per cent of the questions. Features: USMLE-style multiple choice questions - each vignette is followed by a question stem that addresses a key concept in cell biology/histology; detailed explanations address incorrect answers in context; over 480 full-color images illustrate important histologic features; tissues with similar histological features are compared, providing a challenging comprehensive review; side-by-side comparisons of normal tissue and histopathology provide a bridge to clinical problem solving and diagnostic pathology; and online access to the questions and answers provides flexible study options.
