WORDS OF CONVICTION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A book of poems as perceived through everyday living, and also through imaginations is all about this effort. Life cannot be made complicated for meager extra comfort and happiness. Looking at life with the inner eyes, and then implementing those thoughts in poetic form has prompted the writer to write this book. Imaginations occur in mind, or we can make them occur, if we really wish to. Day-to-day life in particular along with love and reality is the theme that the author has utilized in rhythmic as well as verse form of poetry. Writing survives with the existence of readers. We all can express our views on endless matters without any obligation. The space, the writer has, is also available for the readers, which exist life-long. keeping in mind this very similarity in writer and reader, this writer has been able to create this book.
