*Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.*

HarperCollins Publishers. Hardback. Book Condition: new. BRAND NEW, Zen Dog, Edward Monkton, A simple and captivating story about a very important dog and a trombone-playing ant with extraordinary powers. A perfect gift for a friend or a loved one, Edward Monkton's most profound, quirky and inspirational illustrations are brought together once again in this exquisitely designed book. There was once a very IMPORTANT dog. He had a big office, a sharp suit, a fast car and the very snazziest of communications devices. One day, on his way to an extremely important meeting, the dog cast half a lobster sandwich into a dustbin. "Ow!" said an ant, appearing at the rim of the dustbin. "What are you doing?" "I might ask the same of you," replied the dog indignantly. "Well then," said the ant, wiping a dollop of mayonnaise from his forehead, "I shall tell you. I was minding my own business and playing my trombone." "That's ridiculous!" laughed the dog. "An ant playing a trombone!" "Not as ridiculous as a dog in a suit with a lobster sandwich," retorted the ant. "And besides, in my trombone there is magic. In my trombone!lies the secret!of LIFE." Each book in this new series is an original story, charmingly illustrated, and created especially for this brand-new series of gift books. Hand-lettered in the same style as the Edward Monkton cards by the Really Good company, the books are wonderfully packaged with the utmost style and attention to detail to make these hugely desirable objects and perfect gifts for special occasions. These creations prove there is a universal and enduring audience for tales that inspire and touch hearts. Their philosophy is to heal, unite, amuse and delight in equal measures.
