THE EVOLVED (PAPERBACK)

Kathleen Webb, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The prophecy reads: Five will remain. The orphan, the divided, the heart, and the brave. They will be the final hope of mankind, and through them, all life will evolve. The Old Immortals have walked the earth for more years than they care to count. Their descendants have been killed off one by one until all that remains are the five from the prophecies. Now, they must join their final descendants, the Evolved, to destroy those they had once called brothers. Thatcher Kline is a ward of the state, a runaway and a loner. But he has a few secrets; secrets that make him a freak, secrets that have cut him off from any semblance of a family. Hadley and Whitley Callaghan are the twin daughters of a powerful man. Their mother abandoned them when they were little, leaving them to be raised by an absent father and his security detail. They find themselves settling into small town life in South Dakota when they meet Kerr Mason and their world turns upside down. Kerr is a bookworm, storeowner and a good judge of character. He likes to be alone; other people make him uncomfortable. When he meets the Callaghan twins, he feels a connection he can't comprehend. Distant relatives raised Nora Lowell after her parents died in a car wreck. She lives in a constant state of suspension as she waits to be joined by others like her. When Nora learns that the others are on their way, she feels like her life can finally begin. Their paths were destined to meet; their lives were destined to be intertwined as those of their ancestors, the Old...
