## Worlds in Chaos (Paperback)

By James P. Hogan

Baen Books, United States, 2015. Paperback. Book Condition: New. 197 x 125 mm. Language: English . Brand New Book. Two classic novels from James P. Hogan, the best-selling master of SF! In *Cradle of Saturn*, discoveries made by colonists on the moons of Saturn show that the Solar System has undergone repeated cataclysms and the last was only a few thousand years. This flies in the face of accepted scientific dogma, and is dismissed by Earth's authorities - until the planet Jupiter suddenly emits a white-hot, Earth-sized protoplanet that hurtles sunward on a collision course with Earth! And in *The Legend That Was Earth*, the alien Hyadeans have showered high-tech gifts on the population of Earth, offering to make a paradise of the planet. But when wealthy socialite Roland Cade discovers the dark underbelly of the alien presence, and learns that his ex-wife is one of the so-called terrorists who are fighting against the alien takeover, he's forced to choose sides. Soon, he's caught up in a terrifying conflict that threatens the very existence of the Earth!

### Reviews

*A really wonderful book with perfect and lucid information. I actually have study and i am sure that i am going to gonna read through once more yet again in the future. I am pleased to explain how this is actually the finest ebook we have study inside my personal daily life and might be he finest book for at any time.*

-- **Kristy Stroman**

*Complete guide for publication fanatics. It is full of knowledge and wisdom You will not really feel monotony at at any time of your respective time (that's what catalogues are for about should you question me).*
