Brand New Book ***** Print on Demand *****.Stop Worrying About Your HealthHow To Stop Worrying About Symptoms and how Hypochondria and Health Anxiety Can Actually Make You Sick Do you constantly worry about your health? Is your mood and everyday life dictated by the thought that there may be something medically wrong with you? Well, you re not alone. I should know, I had to deal with this problem and I know how it feels to deal with this every single day of your life and live in fear, constantly worrying about some symptom or another. Now, I hardly worry about my health at all anymore. I have gained valuable insights and my own techniques along the way that worked better for me than those that others were teaching. This makes me ideally situated to write this book. Because not only am I going to put a whole plethora of tips, techniques and ideas all in one place, but I am going to also add my own personal tricks that I have developed along my personal journey and experience with health anxiety. Rest assured that no matter what health issue it is that you re worrying about, the information in this book will be able to help you. Or even if you re like I was and you worry about multiple different health issues at the same time, what you are about to learn will help with that too. Stress can make you feel ill even when you weren t to begin with. You can also develop health problems and stress related illnesses just because you re worrying so much. Even though you may have been perfectly healthy to begin with, just the fact that...
