Random House USA Inc, United States, 2005. Paperback. Book Condition: New. Reprint. 173 x 99 mm. Language: English . Brand New Book. When it comes to cutting-edge science fiction, Stephen Baxter is in a league of his own. His mastery of hard science, his fearlessly speculative imagination, and his ability to combine grand philosophical questions with tales of rousing adventure make him essential reading for anyone concerned with the future of humankind. It is not only Pirius who pays the price. In flying into the future and back again, Pirius returned to a time before he'd left, a time inhabited by his younger self. And that...
